

# E-Safeguarding Free on-line Training

“I think that anyone who is working with children would benefit from this. As the course covers the most basic things I would particularly recommend it to volunteers in organisations working with children who otherwise can't get access to similar trainings.”

Tanya Mordvinova—Youth Group Worker

Access interactive, easy to use e-learning packages online which can be completed at a time and pace to suit you.

The modules have stimulating animations, quizzes and tests to capture and maintain your interest.

The course covers a variety of child protection issues and is suitable for anyone who comes into contact with children, young people, parents, and carers.

The training covers the following areas:

Understanding and recognising:

- Physical Abuse
- Sexual Abuse
- Emotional Abuse
- Neglect
- What to do if you suspect abuse is happening

“The course has made me more aware of child protection and made me more confident speaking about it to groups in terms of policies and signs they need to be aware of.”

Caroline Elliot - WFD Officer
