

# Directions to Safety Net

**Please note** that the entrance to our office is on Manor Road, BN41 2GD, which is different to our mailing address. You may find it easier to use the information below rather than a sat nav.

## Driving & parking

Follow the A270 (Old Shoreham Road) until you get to the junction of Trafalgar Road and Locks Hill. Turn up Locks Hill, passing two primary schools on your right hand side. When the road starts to bend to the left, turn right into Manor Road, by St. Nicolas church. The first turning on your left, after the tree in the middle of the road, is a continuation of Manor Road. Our offices are accessed via the first set of black gates on the left hand side. There is free on-street parking on Manor Road, Easthill Way, Easthill Drive and the surrounding streets. If you

can't find a space here there is also a free car park at the bottom of South Street, on the left after the Baptist Church. **Please DO NOT park in the Emmaus car park**, this is for their customer use only.

## Travel by bus

Buses 1 and 1A stop outside St Nicolas Church in Portslade, which is just around the corner from our office. As you exit the bus, turn left and walk back up the incline, then cross over to turn left into Manor Road. Then take the next left (also Manor Road) and come in through the first set of black gates on the left hand side. Buses 46 and 2 also stop on the Old Shoreham Road, from where you can walk up Locks Hill, and turn right into Manor Road.

## Travel by train

Our offices are one mile (approx. 15-20 minutes' walk) from Fishersgate and Portslade railway stations. Please contact us if you require detailed directions from either station.

## At the black gates

You will see a set of big red doors in front of you. Walk towards them and then look to the right, where you will see a green sign directing you to **Manor Offices**, up a short ramp to a door on your left. Once you're at the door, press buzzer number six (labelled Safety Net) and we will guide you in.
